

# 5A. Latin Pipes II

Puzzle by: David McLeish & Andrew Shellshear  
Difficulty: Hard

cisra Puzzle Competition 2011  
<http://puzzle.cisra.com.au>

## Instructions:

Each row and column contain one of each of the twelve pipe piece types: four L-bend pieces, four T-junction pieces, two straight line pieces, the cross-junction piece, and the "dot" piece (indicating no pipe). Pipe ends must join together.
